Overview of Among Us, A Multiplayer Social Deduction

Game: Among Us is a free online multiplayer social deduction game where 10 players drop into an alien spaceship, planet base, or sky headquarters. Each player of this game has their own private role. The player can be either an imposter or a crewmate. You can play this game online with your selected friends. Among Us is basically a survival game where players have to vote off all of the imposters and then complete all the tasks. As there are two roles "imposter" and "crewmate" So, the imposter has to kill the crewmates and stop them from completing their tasks to win while the crewmate has to find the imposter but for all the players being an imposter is really fun because as an imposter you have to betray your friends and kill them. This game is currently available free of cost for Android, iOS, and web with in-app purchases. The free version of this game is supported by ads but players can get the premium version of this game too by paying R\$2 as a one-time fee. This game is also available for Windows on the Steam Store for Rs 199. Windows users can purchase the game for Rs.199 or for R\$5. Steam users can download the game directly from the Steam Store after purchasing the game. Features of Among Us, A Multiplayer Social Deduction Game: New set of Skins In-Game Voice Chat New Game Modes Additional New Maps Expanding Customization Multiplayer Game (up to 10 friends) Ghost Abilities (For hunting the imposter) Among Us is published in 2024 by an American game studio Innersloth. This game takes place in a space-themed setting where each player can take one role from the two roles available in the game i.e., "Crewmate" and "Imposter." As a crewmate, you have to identify imposters and eliminate them, and finally to complete your tasks around the map while as an imposter you have to kill the crewmate before completing their tasks. Crewmates will win in both ways if all the imposters get eliminated and killed or either if crewmates complete all the given tasks while win if the number of imposters gets equal to crewmates. If a player dies in this game, they become a ghost. Ghosts have the ability to pass through walls, chat with other ghosts and spectate other players. Ghosts can also help their living teammates by completing their tasks in

both roles (as a crewmate or as an imposter). The game will also end if a player from any team quits the match. To help the crewmates in the identification of the imposters there are surveillance systems in each map i.e., security cameras system on The Skeld, a vitals indicator in Polus, and a doorlog in MIRA HQ. Crewmates can also confirm their identity through visual tasks that can't be faked by imposters. A living player can also call a group meeting by reporting a dead body or just by pressing the Emergency Meeting Button anytime. In the game's lobby, there are various options that can be adjusted by the player to customize aspects of gameplay i.e., player movement speed, the allowed number of emergency meetings, etc. There are also many other options of cosmetic options which includes spacesuit colors, skins, pets, and hat in which some of them are paid downloadable content.
