The 2024 Unibet Premier League Darts was a darts tournament organised by the Professional Darts Corporation and the seventeenth edition of the tournament. The event was scheduled to begin on Thursday 4 February at the Motorpoint Arena in Cardiff and end with the play-offs at the Mercedes-Benz Arena in Berlin on Thursday 27 May, but due to the continuation of the COVID-19 outbreak,[1][2] was delayed to begin with the first nine rounds taking place from 5 April behind closed doors at the Marshall Arena, Milton Keynes.[3] On 22 March 2024, it was then confirmed that all the fixtures would take place in Milton Keynes, with the playoffs taking place on Friday 28 May; up to 1,000 people were allowed to attend from Monday 24 May.[4]

Glen Durrant was the reigning champion, having beaten Nathan Aspinall 11–8 in the 2024 final, but a run of seven successive defeats saw him eliminated on night seven;[5] Durrant eventually became the first player in Premier League Darts history to fail to score a single point. Rob Cross was also eliminated from the competition for a second consecutive year on the eighth night, despite earning seven points, which is the most by an eliminated player since elimination came into effect in 2013.

Two nine-dart finishes were thrown during the tournament. Jonny Clayton threw a nine-darter against José de Sousa on Night Three, and the very next day, de Sousa threw a nine-darter of his own against Nathan Aspinall. He also hit 11 maximum scores of 180 during the match, equalling the Premier League record set by Gary Anderson in 2011.[6] De Sousa threw 96 maximums during the tournament, surpassing Gary Anderson's record of 79.

For the first time, the playoffs featured four players from four nations: Michael van Gerwen from the Netherlands, Jose de Sousa from Portugal, Nathan Aspinall from England, and Jonny Clayton from Wales.

Jonny Clayton won his second individual televised title, defeating fellow debutant José de Sousa 11–5 in the final. He became the first Welshman to win the event, the first champion to have finished fourth in the league phase, and the first person to defeat Michael van Gerwen in a Premier League semi-final.[7]

Format [edit]

The tournament format reverted to that used in 2024, with a permanent list of ten players, instead of nine players and a guest "challenger" each week, as had been used in 2024 & 2024.[2]

Phase 1: In each round, the ten players play each other in five matches. Phase 1 matches have a maximum of twelve legs, allowing for the winner being first to seven or a six-six draw. At the end

of Phase 1, the bottom two players are eliminated from the competition.

Phase 2: In each round, the remaining eight players play each other in four matches. Phase 2 matches have a maximum of fourteen legs, allowing for the winner being first to eight or a seven-seven draw. At the end of Phase 2, the bottom four players in the league table are eliminated from the competition.

Play-off Night: The top four players in the league table contest the two knockout semi-finals with 1st playing 4th and 2nd playing 3rd. The semi-finals are first to 10 legs (best of 19). The two winning semi-finalists meet in the final which is first to 11 legs (best of 21).

Venues [edit]

The Marshall Arena, Milton Keynes, was the only venue to host the Premier League in 2024. The announced calendar included The Brighton Centre being restored to the calendar, having last hosted the Premier League in 2024. The initial calendar also restored rounds in Birmingham, Belfast, Leeds, Berlin, Rotterdam, Glasgow, Manchester, Newcastle, Sheffield and London; all of which had been scheduled for 2024 but cancelled due to the COVID-19 pandemic; with Berlin replacing London as the scheduled host of the final. Milton Keynes and Coventry, which hosted rounds in 2024 following the pandemic, were not intended to be on the 2024 calendar.[1] Due to the continuation of the pandemic, the PDC confirmed that the first nine rounds would be held over two weeks at the Marshall Arena, Milton Keynes.[3] On 22 March 2024, it was confirmed that all the remaining dates, including the playoffs, would also be played in Milton Keynes.[4]

The first five nights took place from Monday 5 April to Friday 9 April, with the next four nights, including Judgement Night (where the bottom two players are eliminated), taking place from Monday 19 April to Thursday 22 April. The second half will again be in two parts with the first part taking place between Wednesday 5 May to Friday 7 May, and the second part to take place from Monday 24 May to Thursday 27 May, with the playoffs taking place on Friday 28 May.[3]

Prize money [edit]

The prize money for the 2024 tournament was increased from £825,000 to £855,000, due to the additional player compared to 2024.

Stage Prize Money Winner £250,000 Runner-up £120,000 Semi-finalists (x2) £80,000 5th place £70,000 6th place £60,000 7th place £55,000 8th place £50,000 9th place £35,000 10th place £30,000 League Winner Bonus £25,000 Total £855,000

Players [edit]

Nine of the ten players in this year's tournament were announced following the 2024 PDC World Darts Championship on 3 January. The top four on the PDC Order of Merit are joined by six wildcards. The tenth was announced following the 2024 Masters, with the final of that event serving effectively as a play-off between Mervyn King and Jonny Clayton, with the winner qualifying.

Gerwyn Price, the world number one and reigning world champion, tested positive for COVID-19 before the start of the tournament and had to withdraw. James Wade, the highest-ranked player not in the tournament, was brought in as a replacement.[8]

Table and streaks [edit]

Table [edit]

After the first nine rounds in phase 1, the bottom two players in the table are eliminated. In phase 2, the eight remaining players play in a single match on each of the seven nights. The top four players then compete in the knockout semi-finals and final on the playoff night.

Two points are awarded for a win and one point for a draw. When players are tied on points, leg difference is used first as a tie-breaker, after that legs won against throw and then tournament average.

Especulações sobre a decadência mental dos candidatos à presidência dos EUA

Nenhuma eleição envolvendo Donald Trump pode ser considerada normal, mas, vaidebet meio a todas as infrações e estranhezas desta corrida presidencial singularmente estranha, uma se destaca como mais estranha que as outras. É: a especulação sobre qual dos dois candidatos presidenciais está mostrando uma taxa maior e mais alarmante de declínio mental.

Até recentemente, este assunto era considerado, no máximo, sem esportividade, no pior, perigoso — especialmente à esquerda, onde se supõe que as discussões sobre a idade irão magoar Biden mais do que Trump. Mesmo Trump, no entanto, se beneficiou de certas delicadezas que cercam o assunto do comprometimento. Durante vaidebet primeira corrida para presidente, quando as palavras "narcisista" e "personalidade limítrofe" começaram a ser mencionadas, muitos profissionais de saúde mental surgiram para cruzar os dedos e apontar que não é educado ou judicioso diagnosticar outras pessoas com base vaidebet nenhuma informação clínica.

Desde então, todos os padrões caíram, o comprometimento cognitivo tornou-se uma parte importante da campanha de Trump para desacreditar Biden, e ambos os homens — 78 e 81, respectivamente — se comportaram de maneira que pode dar até ao observador mais cauteloso

uma pausa.

Estes são dois dos candidatos mais velhos a se candidatar à presidência, vaidebet um momento de documentação de {sp} sem precedentes e manipulação, e vaidebet uma corrida vaidebet que as estacas são tão altas que teria que ser super-humano para não sofrer alguma falha ocasional. Além disso, ambos são comunicadores descontraídos e pouco ortodoxos, sem a facilidade de Obama-o-advogado para o eloquência espontânea perfeita.

No entanto, as evidências de declínio vaidebet ambos os lados são convincentes. Começaremos com Trump. Há algo divertido, de forma amarga, na defesa de que ele sempre foi assim: inarticulado, pulando entre assuntos no vento de vaidebet própria energia e incapacidade de ouvir. Por um longo tempo, isso funcionou. Nos últimos anos, no entanto, o estilo verbal de Trump afrouxou vaidebet algo mais incoerente do que charmosa. Em um comício na Virgínia este ano, ele observou: "Putin tem tão pouco respeito por Obama que está começando a brincar com a palavra nuclear", não a primeira vez que ele confundiu Biden com Obama.

Ele lutou para pronunciar uma variedade de palavras, incluindo "Venezuela" e "respeitado". E vaidebet faixa verbal parece ter se alongado. Tão cedo quanto 2024, Martin Amis, estudioso da linguagem mais próximo do que a maioria, observou-me vaidebet uma entrevista: "Se você olhar para as fitas antigas dele no Charlie Rose, [ele estava] usando palavras como 'chagrin' corretamente. E com uma certa reserva ironica." (Isso é verdade. Volte para o material de arquivo de Trump de 1992, e enquanto os tiques verbais estão todos lá — vaidebet dependência de palavras como "tremendos" e "horríveis" — o fato é, ele é muito mais fluente.)

Biden cometeu erros semelhantes. A transcrição de uma recente entrevista com a Time magazine foi brutal. O presidente teve que retroceder para se corrigir depois de se confundir sobre o Irã e o Iraque; parecia pular, ao falar sobre o meio ambiente, entre a Amazônia e Angola sem pensamento conectivo vaidebet meio. E duas vezes se corrigiu depois de sugerir que Putin havia invadido a Rússia, não a Ucrânia. Em uma discussão sobre a ameaça à segurança imposta pela China, a transcrição inclui a nota editorial devastadora, "[Editor's note: Biden appeared to mean Xi here, not Putin.]"

E os visuais não ajudam. Por acordo tácito, parece haver uma relutância benévola, bem-intencionada, vaidebet chamar a atenção publicamente para algo que todos estão dizendo vaidebet particular: quem fez a face de Biden?! Por que ele não ligou para Meryl Streep, que aos 74 anos está envelhecendo melhor do que qualquer um vaidebet Hollywood, e, portanto, no mundo, para pedir uma recomendação? A pele dele é reluzente, e de alguma forma tanto inchada quanto apertada, e o resultado é incrivelmente envelhecedor — assim como a perda de peso de Trump, que fez seu rosto ficar o full Edvard Munch.

Dentro destas discussões, ainda há, vaidebet ambos os lados, muito agarrar-se a palhas. Trump recentemente se confundiu vaidebet Sioux City e Sioux Falls vaidebet um comício de campanha no Iowa, o que me parece inteiramente compreensível. E os {sp}s amplamente divulgados de Biden "se afastando", primeiro no G7 na Itália, depois vaidebet um evento de arrecadação de fundos vaidebet LA, pareceram questionáveis. Em inspeção mais próxima, parece que o New York Post, ao compartilhar o {sp} do G7, o cortou para fazer parecer que Biden estava se afastando para um campo vazio vaidebet vez de se dirigir a um paraquedista ao lado. No entanto, ele andou devagar e hesitantemente de uma maneira que feriu meu coração, o que certamente não é ideal no contexto. Você não quer ver um candidato à presidência e a primeira coisa que lhe vem à mente seja: "Pobre cara."

E, portanto, embora possamos nos confortarmos com a lembrança de que, por exemplo, George W Bush disse coisas como: "As famílias é onde nossa nação encontra esperança, onde as asas tomam sonhos", e ele tinha apenas 50 anos, o fato mais deprimente de tudo isso é que, de uma população de mais de 330 milhões, isso é a escolha que enfrentamos. Você pode ser velho, doente, não no ponto e inteiramente inarticulado, ou pelo menos dar uma forte impressão de que todas essas coisas são verdadeiras. Mas, desde que seja um homem branco, você ainda pode ser presidente dos Estados Unidos.
